**Private Treaty Sale**  
JANUARY - APRIL 2024 | HEAD WATERS, VA

# Welcome!

## TO THE 2024 SPRING PRIVATE TREATY SALE

*We would like to welcome you to our Spring Private Treaty bull offering! Bulls have had their breeding soundness exams and are ready to go. All bulls have also been DNA tested to provide you with more accurate EPD information to improve your herd. We have bred this group of bulls for sound structure and good temperament. These bulls' range in age from 14 – 16 months and from 18 – 28 months, and have been out on grass, hay, and a small ration of commodity pellet. We have specifically mated this group to have something of interest for the commercial cattlemen as well as the seedstock producer. They offer a variety of calving ease and birth weights, as well as index numbers. We focused on foot and leg structure to last and perform for our customers. They are ready to go to work and have been mated to produce sound structured, profitable calves for their owners. All bulls are on site for viewing. Thank you for your interest.*
